## Book Fair

This week younger classes in the Lower School have been enjoying events themed around Happy Campers. These activities are intended to promote the enjoyment of reading and are part of a Scholastic Book fair. At the book fair you are able to look at and purchase books, there are some also books suitable for teenagers/young adults. The book fair is Thursday and Friday afternoons in the school Extra Lesson Room upstairs by the orange tent, just follow the flags. It is open to the public starting 2:45 pm – 3:45 pm approximately. Please note payment is by **CASH ONLY**.

The purpose of the Book Fair is to encourage an enjoyment of story and a love of reading. There is of course a perk for the junior book room, in that your purchasing of books, provides the school with an opportunity to gather points to obtain student readers. Scholastic are extremely generous with the points given for purchasing. So please come along and have a look.

Over the course of the week the younger children have had the opportunity to participate in activities celebrating books during their lunchtime. All activities have been held in the big orange tent and at times the campfire happily smokes away. Wednesday's lunchtime guest was our very own celebrated author, Sophie Siers. Sophie shared with the children her stories and her love of writing. Sophie also spent time with Class 2, reading stories as they toasted marshmallows around the campfire. Other special guests have been the French Club who shared stories in French.

Tomorrow sees the children come to school dressed as their favourite story book character. Come lunchtime there will be songs and stories at the big orange tent around the campfire.

A big thank you to all those who have helped out.

Warmly and gratefully, Kelly Sutton

## The Reading Mother By Strickland Gillilan

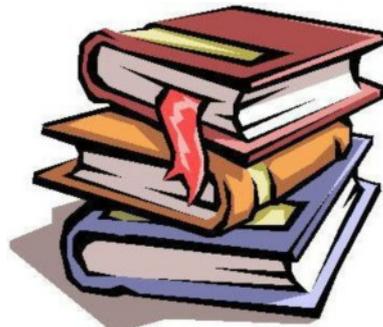

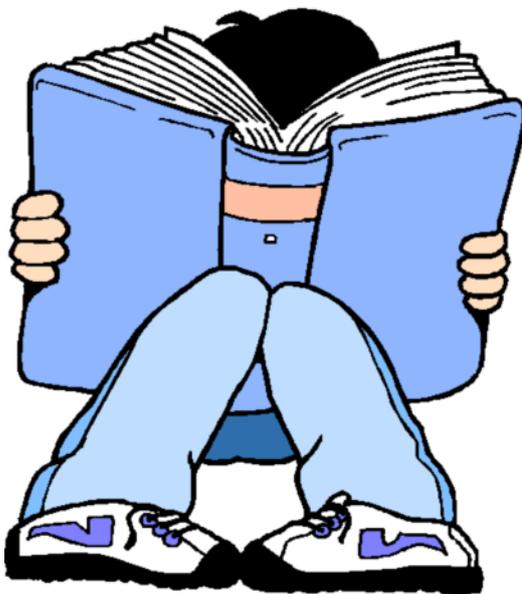

I had a mother who read to me  
Sagas of pirates who scoured the sea,  
Cutlasses clenched in their yellow teeth,  
“Blackbirds” stowed in the hold beneath.

I had a Mother who read me lays  
Of ancient and gallant and golden days;  
Stories of Marmion and Ivanhoe,  
Which every boy has a right to know.

I had a Mother who read me tales  
Of Gelert the hound of the hills of Wales,  
True to his trust till his tragic death,  
Faithfulness blent with his final breath.

I had a Mother who read me the things  
That wholesome life to the boy heart brings –  
Stories that stir with an upward touch,  
Oh, that each mother of boys were such!

You may have tangible wealth untold;  
Caskets of jewels and coffers of gold.  
Richer than I you can never be –  
I had a Mother who read to me.

Netsafe is coming to Taikura to run a session for parents and caregivers on social media. The session is 7:00 pm Tuesday 21 November in the School Hall. This presentation is designed for carers (rather than teachers although anyone who is interested is welcome to attend) covering information around digital tech, online safety, issues for young people, and how we as parents can best support our children to develop the skills, knowledge, values and attitudes needed to navigate the complexities and opportunities in online spaces. It will be great to fill the room so please put it in your dairies now. Looking forward to seeing you all there.

## Taikura Fête Sunday 19 November 2017

All hands on deck for the fête. If you are not already committed to helping at a food stall or activity get in touch now!

Taikura Fête is an accomplishment of the creativity, dedication, generosity and skill of the entire body of families, children and staff. By opening our school to the wider Hawkes Bay community we offer something of our school's special character that endures beyond the festivities' conclusion. As a state-integrated school, Taikura Rudolf Steiner School receives no funding for school facilities. These are funded from within the school community. Taikura Fête is the most important fundraising event at our school.

### Your Participation

Taikura Fête depends on EVERY whanau's help and participation. There are many ways to contribute according to our individual skill and ability.

### Class Food Stalls

Each class is allocated one food item at the Real Food Market. This is where the bulk of the income from the Fête is generated. Your class is responsible for sourcing ingredients, following recipes, preparing food in a safe environment and storing food hygienically in advance of the Fête. Food Coordinator Suzan Bart met with Liaison Parents this week and rosters are in the process of being made. For more information, you can contact your liaison parent, call Suzan on 021 206 59 09, or email [taikurafete@gmail.com](mailto:taikurafete@gmail.com).

### On Fête Day

This year we'd like to change our community thinking around how we contribute so that the fête can run as smoothly as possible, and so that we all get some time to play as well as work. Rather than attempting to give a little to each of our children's classes or kindergarten groups, we ask that each parent or whanau spend half of fête day working on just one stall and the other half enjoying the fête. If you have a special skill, such as face painting, hair braiding, or horse handling please volunteer preferentially for these activities.

Shifts for **Children's Activities** are

<b>Morning</b>	<b>9.45am-12.30pm</b>
<b>Afternoon</b>	<b>12.30-3.15pm.</b>

Shifts for **Food Stalls** are

<b>Set Up/Serve</b>	<b>8.30-11am</b>
<b>Lunchtime</b>	<b>11 am-1pm</b>
<b>Serve/Pack Down</b>	<b>1-3.30pm</b>

If you have volunteered at a stall in the past and are willing to do so again, please let us know by email at [taikurafete@gmail.com](mailto:taikurafete@gmail.com) or you can call Rosheen on 027 777 07 59.

## **Children's Activities**

Many of the Children's Activities are being carried by parents who have progressed up the school and are coming to the end of their journey with Taikura. It would be wonderful to see some lower school parents put their hands up to take on an activity that they can carry through their years at school. Once you become familiar with your role it will be easy to repeat it year after year. A list of activities has been sent out through liaison parents. Please contact Rosheen 027 777 07 59 or email [taikurafete@gmail.com](mailto:taikurafete@gmail.com).

## **Face Painters & Hair Braiders Needed**

Are you a budding artist? Or perhaps you are crafty or good with your hands? If so please consider volunteering to paint faces or braid hair at the Fête. These are popular stalls and make a big impression. Training can be provided. If you are artistically inclined and would like to try your hand, contact Rosheen 027 777 07 59 or email [taikurafete@gmail.com](mailto:taikurafete@gmail.com).

## **Calling All Musicians**

Classical Musicians needed for entertainment in the Devonshire Tea Room. Parents or students who play piano, violin or another soothing instrument please volunteer an hour or so of your time. Contact Suzan on 021 206 59 09 or email [taikurafete@gmail.com](mailto:taikurafete@gmail.com).

## **Crafting**

Small handcrafted items are needed for sale in the Children's Shop, and for the Lucky Dip. There should be no less than 15 of each craft item in the shop, but ideally 20-40 and we will need in excess of 400 items in total. In the past we have made origami flowers and butterflies on sticks, needle felted bees, ladybirds and spiders, little knitted mice, a small crystal in a covered match box, tiny wool angels, gnomes, gold painted walnuts with a bell inside, hair clips and badges. The crafts should reflect the special character of the school and be made from natural materials as far as is possible. If anyone has a desire to craft but feels that they need mentoring, we will be meeting on

**Tuesday mornings from 9am to 11am at Taikura Kindergarten Parent Room.**

Completed items can be dropped off at this time or to the Office.

Thanks to everyone who donated craft materials. Unfortunately, due to poor turn out we were unable to produce enough crafts to warrant a larger stall so this year we will focus on the Children's Shop. Unused materials will be retained for use in subsequent years.

## **Natural Materials**

We still need natural materials- seeds, shells, decorative grasses, dried flowers for the Clay Play activity. Should we not source enough materials we will not be able to have this activity at the Fête. Please drop to the Office.

It would be great if you could rummage around in your drawers and toy boxes and bring into School any unwanted mobile phones you may have.

Phones collected help our School gain valuable rewards and also the environment benefits by keeping our landfills free of mobile phones and their array of hazardous toxic substances. Please drop any unwanted mobile phones you may have in the collection box in the reception area at School.
