Taikura Rudolf Steiner School

8 February 2018

Dearest Community,

I hope you have all had a wonderful summer break and I welcome you all back to this new school year. Like many of our students and staff, this year marks the beginning of a new journey as I take on the role of Principal at Taikura however my journey at this school began many years ago. My earliest memories are of playing in the Taikura Kindergarten garden, under the magnificent magnolia, which still stands proudly there today. I then crossed the road and made my way up through the school, experiencing the joys and challenges of class camps, plays, festivals and working through the constantly changing social dynamics of a class as we learned and grew and matured over the years. I had three younger sisters who attended Taikura and our mother Fran became our school Librarian. I was one of the youngest in my class and so at the end of Class 12 I transferred to Havelock North High School to complete a second final year at school before heading off to Victoria University in Wellington to study English Literature and History. Following my degree I completed a Post graduate diploma in Teaching and returned to Hawkes Bay to take up a teaching role at Karamu High School. During my time at Karamu I became a Dean and began a Classical Studies and Drama department.

Since my transition as a student to Havelock North High School my aim had always been to return to Taikura to teach, motivated initially by my love of the curriculum and having experienced first-hand the alternative. Finally an opening came up at Taikura and I returned to pick up Class 6 as well as teach English and Drama in the High School. It was during my first few years at Taikura that the decision was made to include Class 8 in the High School and I became the founding Class 8 Sponsor and transition teacher for a number of years.

In 2007 I had to leave school abruptly mid-year due to the premature arrival of our twin daughters and due to ongoing medical issues I took a number of years off from teaching to focus on the health and wellbeing of our family. When our daughters were eventually settled into the Taikura Kindy I returned to teaching in the High School part time. In 2014 our High School Associate Principal left us mid-year and Shirley Brooker and I stepped in to carry this role for half a year before I took it on officially at the start of 2015. At the end of Term 1 last year the school found itself without a Principal and my colleague Kelly Sutton and I took on the role Co Acting Principal.

Taikura has been through a number of changes in recent years including many at a Management level so I am hopeful that my appointment to Principal can provide a period of consolidation, to build on the foundations which already exist and to strengthen and celebrate what it is that makes us unique as a Steiner School. I am very fortunate in that I am supported in my new position by a strong Management Team of Kelly Sutton and Corrie Levick and the individual responsibilities of our administrative team. Collectively we believe that there needs to be a strong connection between Management and the three key areas of the school and we each intend to continue to represent the Kindergarten, Lower School and High School respectively at a Management level as well as stay informed and engaged with our students through hands on teaching in the classroom. It is the activity between us as teachers and support staff which creates the necessary environment for our students development and our relationship and engagement with the parents and community is an equally necessary ingredient in this journey.

Last year saw the re-enlivening of our parent body through Liaison Parent Evenings, the Parent and Family Association initiative, the CARE Fund initiative and the development of our Strategic Plan and we look forward to building on these positive foundations with our community as we move into this year. The Powhiri for new students, staff and families on Monday was a wonderful way to formally acknowledge the beginning of our year and on Waitangi day it was lovely to enjoy a very relaxed and fun family picnic at school and to see families enjoying the pool, games on the field and building relationships in the beautiful sunshine.

I wish you all a happy, healthy and productive 2018.

Best Wishes, Pippa Caccioppoli

Green Stone Necklace Found

Green stone necklace on plaited cord found end of Term 3 outside school. Please see Adrienne in the office if you think it may be yours.

Parking Outside School

With the start of the new year parents are asked to be made aware of the new yellow parking lines outside the school pedestrian crossing. These are on the Gym side of the crossing and ______

extend over the emergency entry/exit by the Gym. Please **do not** park over these or climb the kerb and park on the grassed foot path area. The Hastings District Council and the Police **WILL** be monitoring this and issuing tickets. These line have been put there for the safety of your children please do not park there.

Website

If you would prefer to read the Grapevine on-line via the school website please go to <u>www.taikura.school.nz</u> Under the heading: Key Dates, News & Events select Newsletters from the drop down box, the latest copies of the Grapevine will be on the left side of the page.

SCHOOL NOTICES

Dear Community

Welcome to a New Year. The Proprietors Trust are excited to start the new year, welcoming our new principal, alongside our new children, students and families. Late last year the Trust made the very difficult decision to close Taradale Kindergarten. Over the summer - we received multiple offers for the purchase of the Kindergarten and we have agreed to the sale of the kindergarten to the Kohunga Trust. We thank John Hudson for his efforts and negotiations in achieving a great result for the school. We saw alignment between what Taradale Kindergarten offered the community in the past and what the Kohunga can potentially offer the community the future.

We thank Corrie Levick and her team of Kindergarteners for all their efforts in this time of transition.

We wish all families that have transitioned from Taradale a warm and gentle settling into your new kindergartens, and the continuation of your Waldolf experience.

Warm wishes Sue Simpson

Surfing Club

Will start Friday 9 February

This is a loosely formed club run by Clayton Gibson. It consists of a group of parents and students numbering between 10 and 35 depending on the weather and surf conditions.

We meet at the south end of the domain at Waimarama beach at 4:15 pm every Friday during the first and fourth terms. There is a wide range of surfing abilities within the group. There is also a keen group of parents who surf along side their children.

Surfing lessons are provided to children and adults during the first hour after our arrival at the beach. Those who wish to have a lesson need to request one as soon as they arrive at the beach. The school has a set of surfboards available for these lessons and any spares not being used are able to be used by students without their own boards.

This activity is suitable for children from Class 3 onwards.

The school does not provide supervision for children in the water. Every child who attends must have an adult with them who is prepared to supervise them in the surf and on the beach. At times parents designate one adult to watch a small group of children while they are surfing then swap over. But this is a private arrangement and not monitored by Clayton.

The reason Clayton is unable to supervise this activity is because he is focusing on giving lessons to individuals or out surfing himself. Any child receiving a lift in another families car should provide them with a koha towards petrol.

Could regular attendees please pay \$10 per child for the term, to the school office to offset the price of surfboard wax, repairs, leg ropes etc

Thank you.

`Bee''' Safe Wear Shoes:

Welcome back to school! Our main field always attracts the buzz of our friendly little workers of the flowers. To ensure the children are safe from harm please check that they have suitable shoes on at all times. This is up to parents and staff to enforce. If you see one of our children on the field without shoes on, please ask them to go and put some on.
