

Dear Parents and Caregivers

Part of our work this year has been around tightening up the way we operate between the various groups that run Taikura. We are looking at our processes, responsibilities and the way we communicate between groups, such as the Management Group, the College of Teachers, our Proprietors' Trust and the School's Board of Trustees.

We are holding a number of sessions for the people who sit on these groups on Monday 11 June. These workshops will take place through the afternoon and into the evening. For this reason we have decided to close the School from 12:30pm on this day to make sure everyone who needs to be involved can be. We will be working with each other and an experienced facilitator to improve our understanding of our roles and responsibilities. This will include practical ways to make working together easier and more effective.

The facilitator we have invited to run these sessions is an independent advisor who has extensive knowledge of Steiner schools, Boards of Trustees and Proprietors Trusts. She has been a member of both as a parent at Michael Park Steiner School in Auckland.

We understand how challenging it can be to find alternative care for children during teachers-only days. We will run a holding class for those children whose parents do not have an alternative for them on 11 June and we will send out a slip next week to be filled in by those who wish to use this option. The Havelock North, Napier, Te Awanga and Haumoana buses will leave at 12:30pm but all buses which connect and pick up other schools will be running at normal times.

We are grateful for the opportunity to work together on improving the way we run Taikura and we look forward to sharing the process and the outcomes with our community.

As you may be aware, this year we have had a couple of incidents of vandalism and theft at the school after hours. We've been looking at ways to make the school safer and more secure without compromising the experience of our students. We have now made the decision to put up security cameras in specific places around the school. These are looked after by a security company and have speakers inside them so any unscheduled visitors can be spoken to over a loud hailer. The security company will warn them they are on private property, tell them to leave, and advise them that a guard is being sent to make sure they do.

The incidents we have experienced include tagging and broken windows. Liam Wyley, our Property Manager, goes to great lengths to clean up the situation so our children can arrive into the beautiful, serene and lovely environment we all work so hard to create for them. We also have people working in the evening at the School and we want to make sure they are safe. Teachers may be on site to work on a play, or prepare their lessons or classrooms. Gardeners may be working on specific preparations at certain times of the evening or early morning. Parents and support staff may be visiting for after-hours meetings. All these people are a vital part of our community and making sure they have a positive experience is important to us.

If you need to be at the School after hours, please tell Liam Wyley through the School Office beforehand. If you are involved in a scheduled event, sports practice, play rehearsal or performance, festival or parent evening, Liam will already be aware of people moving around the school in the evening, so you do not need to check in with him.

## Dear Community

This year we have had the privilege of welcoming a number of new staff members to Taikura. If you have not met them already over the coming weeks via the Grapevine you will. Each week there will be a short piece introducing a new staff member, along with a photo to help you to put a face to the name.

## Nau mai haere mai Mrs Wills

Karyn has been the Lower School SENCO (Special Education Needs Coordinator) for just over a year, where she makes sure that all of our tamariki are receiving the support they need. As well as this, she is the face of literacy support in the Lower School and, just in case she had any free time on her hands, she is also part of the school CARE group and also a mother of three. Karyn grew up in Tutira and since becoming a qualified teacher has taught in huge range of schools throughout Hawkes Bay and in London. She loves her role at Taikura, particularly those WOW moments when she sees children suddenly realise they can read. Outside of the Edwin Eyre building, you may bump into Karyn stepping out on a dance floor near you as her secret passion is dancing!

## Nau mai haere mai Mrs Follet

Anna has been at Taikura for a little over a year now, teaching our High School rangatahi about the world they live on and what has happened in it (Geography and History). She loves how through Geography we can see how the world is pieced together and through History, she loves the stories that emerge. She lives in Maraekakaho with her partner, 2 little boys and horse Pia. Anna is a hippophile at heart and likes riding Pia in competitions when she can. Having taught in Australia, and for a while at Napier Boys' High School, Anna is looking forward to bringing her incredible taste in footwear to Taikura and really settling into the school community.

## Class 8 Proudly Presents - "As You Like It"

A comedy by William Shakespeare.

Friday 8 June at 7:00 pm for **one night only**, in the school hall, entry by koha.

In the depths of the forest Rosalind, Celia and Touchstone meet an old shepherdess, (Corinne) who they ask for food. She tells them that she has none, as her master is mean and anyway he's trying to sell his cottage and sheep. Rosalind asks her to take her to the cottage and gives her money to buy the cottage and sheep for them. Corinne says she will and will also stay as shepherdess to her sheep. They also meet Silvius a young shepherd who is in love with Phebe a young shepherdess who spurns him. Rosalind scornfully tells Phebe off for her attitude towards Silvius saying that she shouldn't be so picky. While she does so Phebe falls in love with Ganymede (Rosalind). Later Ganymede (Rosalind) meets Orlando and tells him she can cure his love for Rosalind (herself) if he woos him (Ganymede). She says that in exchange she will be inconstant with Orlando sometimes encouraging him and sometimes giving him a hard time. He agrees to woo him (her). And what happens then...come and see.

Last night saw 28 students enter the Taikura preliminary Root to Tip cooking competition. This event is for year 4 and 6 students (Classes 4 and 5) and has an emphasis on low food wastage and eating from the garden. This event at Taikura was generously supported by Pauline Korevaar from the Farmhouse Kitchen cooking school. Taikura is entering teams into this year's nationwide Root to Tip Cooking Competition and due to only a limited number of teams being able to be put forward, our school cook-off gave all those students who wanted an opportunity, the chance to have a go.

It was a wonderful evening and great to observe the engagement and enthusiasm in all 28 children. The children were asking questions about the ingredients they had and were collaborating beautifully. The food was delicious and a massive effort was made. There were awards for the most creative dish and an all-round best dish. The plates of food were first judged for artistic arrangement, food grouping, and then, if this was appropriately completed, the dishes were tasted and the cooking and flavours considered.

After the event, teams were carefully selected based on the many skills displayed, ingredients selected, conversations and behaviors observed in the teams during the course of the evening.
