

**Linking Our Local Environment To Our Curriculum**

Last Thursday Class Five were blessed with a beautiful day for our trip to the gannet colonies at Te-Kauwae-a-Maui. We made the journey with Gannet Beach Adventures, travelling along the beach and partly in the water, on trailers behind their vintage tractors. This experience is fantastic for the beginning of Class Five, or the end of Class Four. It links to the exploration of Human and Animal, Local History and Geography Main Lessons in Class Four and the widening of this exploration in Class Five to New Zealand Geography and Botany.

As we travelled the class was treated to an explanation of how the cliffs have been formed over thousands of years through the movement of the earth's crust. We could clearly see the various layers of rock marked out in the cliff face and the fault lines where earthquakes have created ruptures in these layers. We handled deposits of volcanic ash and peat, seeing how different origin material dictate the qualities of the rock, laying seeds for our Geology Main Lesson in Class Six.

We revisited the account of the interactions between tangata whenua and James Cook at this place in 1769, which we had heard in Class Four. We read about how the Gannets are a relatively new addition to this section of coastline, not having been notable until the 1870's.

We all trekked to the plateau at the top of the cliffs where the main colony of gannets are. Here we saw adult gannets with chicks ranging from quite fresh, to almost ready to embark on their first flight; a journey of 2,800 kilometres to Australia.

The Class brought their sketchbooks with them and enjoyed their first experience of open air landscape and animal sketching, with the children being challenged to work quickly to capture a feeling of the landscape and wildlife.

A wonderful day exploring a spectacular part of our local area while enhancing our curriculum experience. Many thanks to the parent helpers who generously gave their time so that we could go.

## He pito kōrero!

### Kua tau ngā waewae a Rūhīterangi

As I was listening to Professor Rangi Matamua's kōrero on his Facebook page 'Living with the Stars' he talked about being in the ninth month of the maramataka, which is also known as Te iwa o Rūhīterangi. The phrase above 'Kua tau ngā waewae a Rūhīterangi', which figuratively speaking refers to Ruhi's feet (a star currently rising in the sky) now being on the earth, the time when it can be unbearably hot, and people feel tired from that heat. The other part of Ruhi's rising is the second phase of growth within Papatūānuku; the flowering of plants, the ripening of fruits that we see so clearly in Te Matau-a-Māui (Hawkes Bay).

The picture taken below during the timely rain in the Bay, is of our kūmara and the prolific growth of the rau (leaves) and hopefully this is echoed with the kūmara below, as we get closer to the time of hauhake (harvest)!

Nā, Matua Troy.

### *Kīwaha o te wiki – phrase of the week*

Aheiha (Ah hay ha)  
Yeah, hard! Truly! Exactly! Certainly!

Hemi: Kia ora e hoa! It must be hard for those businesses in Tāmaki Makaurau at Level 3 again!

Rangi: Aheiha, e hoa!

*He pito kōrero is a space dedicated to celebrating and promoting Te Reo me ōna Tikanga Māori.*

## Policies And Procedures

A reminder that all of Taikura's policies and procedures can be found on the SchoolDocs website <https://taikurasteiner.schooldocs.co.nz> (note that there's no "www."). Our username is "taikurasteiner" and password "heartwood".

The school works on a subscription basis with SchoolDocs to maintain, update, and review our policies. SchoolDocs provides us with a comprehensive core set of policies, which have been well researched and follow the Ministry of Education National Administration Guidelines. The policies and procedures are tailored to our school, and the school supplies specific information such as our charter, and procedures for behaviour management, reporting to parents, etc.

There is a detailed formal 3 yearly review cycle administered by SchoolDocs which feeds into improvements not just at Taikura, but at all schools signed up to SchoolDocs across the country. Parents are an essential part of this review process. Although this is a formal process we consider the policies living documents with the capacity for feedback and improvement.

SchoolDocs updates, modifies, or creates policies in response to changes in legislation or Ministry guidelines, significant events, reviews/requests from schools, and regular reviewing from the SchoolDocs team. Our board of trustees has the opportunity to view changes/additions and comment on them before they are implemented.

Currently the **Home Learning** policy is under review until the end of this term, and by visiting the website and following the prompts, you are able to send any feedback on this policy directly to the Principal. We very much encourage you to take part in this process.

## Community Health Consultation on Sexuality Education

As part of the Ministry requirements every school is required to consult its school community on how they teach sexuality education.

This year I would like to meet with the community on Tuesday 16 March at 6:30 pm - 7:30 pm and Tuesday 30 March 6:30 pm - 7:30 pm on level 2 Taikura House room 28. The first meeting will be led by myself on what we do as a school around sexuality education, my intentions moving forward and getting feedback. The second meeting will be gathering ideas from this working group on how they can support the Health Curriculum outside of school. Eg having guest speakers for the community and parent/caregiver education.

Everybody is welcome and I look forward to seeing you.

## Sports Notices

### Taikura Surf Club

Last Friday our 1st "surf club" session got under way out at Waimarama. About fifteen keen learners attended on a warm afternoon with a suitable one metre swell.

Ruby Mackwell (new Class 7 teacher), Lara Watson and Francesca Janke offered surf lessons, overseen by Brendan.

Below is the outline of how Surf Friday will be working this term for anyone who missed the details from a previous grapevine.

**This Friday 19 February: NO surf club due to Brendan having a prior commitment.**

**We are aiming for the next session to be Friday 26 February.**

Brendan and I have been looking at solutions to keep the school's Friday Surf Club going in 2021. For the school to run such a club it is required that a trained surf instructor or lifeguard is present and in charge for the afternoon. We were lucky to have Clayton who was a trained surf instructor, teacher and competent surfer running the club previously. We have explored options of contracting in people qualified in this area with no luck to date, however we are lucky to have Brendan Hamilton-Gibbs our Class 6 teacher and current senior lifeguard, competent ocean swimmer and surfer willing to take some Surf Friday sessions this term. With his commitment to the Waimarama Surf club he will not be available every Friday.

Every **Wednesday** it will be written on the school notice blackboard by the canteen if Surf Friday is happening that week. The information will also be sent out on the school app. If there are any parents that are competent surfers with current qualifications as an instructor or lifeguard who may be interested to help out please contact Brendan or Janet at school. The surf club is an informal meeting of students and parents at Waimarama beach on Friday after school from 4:00 pm. School boards are used for basic lessons, and surfing practice. More competent students can attend with their own boards. All students require a parent supervisor, as in, it is **not** a drop your child off session. Often parents have a go as well if there are spare boards available with some then enjoying a fish and chip dinner with other families post surf. This year we will have a koha tin that we hope students will contribute to as a way to help offset the ongoing costs of the upkeep of the school boards. A gold coin from everyone each session will help.

### Volleyball

We have 4 volleyball teams starting next week. Thank you to all the staff and parents who have offered to support these teams at their games. Tai -Maree Rees, Judith Grellman, Sanne Coulthard, Brendan Hamilton- Gibbs, Troy Gardiner, Paul Van Kampen and Anna Follett.

### TACS - Town and Country Schools Triathlon. Tuesday 2 March

Many of the students from Classes 6 and 7 will be competing in this event as teams. More information will be coming out soon. We will be requiring parent help to make this event possible, let me know if you are available that day please.

### Summer Series Orienteering.

If any lower school students are interested in more information, please email [sports.coordinator@taikura.school.nz](mailto:sports.coordinator@taikura.school.nz)

### Winter Sports.

Over the next few weeks high school winter sports teams will be starting to get organised.

Once again thank you to Angeline Ramsay, Morag Wilson and Murray Barker for your long service to Taikura school sport teams in the past.

We now need to look forward and for 2021 we are in need of some new coaches for several teams.

### High school netball coaches.

### Junior football team

### High school basketball.

### Badminton.

**Please contact me if you or anyone you know of may be able to fill one of these roles.**

### Confirmed High School Coaches To Date:

1st 11 hockey- Anne and Bill Hilton

2nd 11 hockey- Adam Hay

Senior Boys football- James Taylor

### High School Team Trials

**Hockey- Monday 15 March - 4:00 pm**

More information will be given to the students at school.

## Music Notices

Itinerant instrument lessons are available during the school day. Instruments include violin, viola, cello, flute, drums, piano, guitar and ukulele. If you would like further details please contact me on [thomas.pearson@taikura.school.nz](mailto:thomas.pearson@taikura.school.nz)

Lower school orchestra and high school orchestra are up and running weekly. If your child would like to join, please get in touch in person or through [thomas.pearson@taikura.school.nz](mailto:thomas.pearson@taikura.school.nz)

## Instruments For Hire 2021

The school has a number of instruments for hire at reasonable rates. We have many violins and violas, cellos, trumpets, trombones, saxophones, clarinets, flutes and guitars. An instrument can be hired for one term initially if you'd like to trial it first before making a commitment for the year.

There are a number of Itinerant teachers coming into the school who can support your child's learning on a variety of instruments and yet others in the wider community.

If you think your child would be interested in playing an instrument this year, please feel free to give me a call at school on Fridays between 11:45 am and 2:30 pm or email me: [zahira.rickard@taikura.school.nz](mailto:zahira.rickard@taikura.school.nz)

I look forward to hearing from you.

Warm Regards  
Zahira Rickard

## Impetigo

Recently we have had some cases of impetigo/school sores at school. Below are some key points which are important to remember when dealing with impetigo as it is a highly contagious condition.

### Key points to remember about school sores

- school sores (impetigo) are common in children - it is a skin infection caused by bacteria
- school sores spread between children very easily
- try to prevent your child scratching the sores as much as possible - cover sores with a watertight dressing and cut your child's fingernails
- wash hands with soap and dry thoroughly before and after touching the skin or sores
- your child can go back to school, kindergarten or daycare **one day after the start of treatment** and when the sores are completely covered with dressings
- continue medical treatment until all sores are healed.

Treatment talked about in this instance is allopathic. If treating with alternative or Anthroposophical medicines it is important to have the support of a Anthroposophical nurse/doctor or your alternative health care professional. Impetigo can be incredible invasive and compromising for a child once established. In these cases it is important that time is given for the child to rest and recuperate at home until all sores have healed.

# ENLIVENING MOVEMENT EURYTHMY SESSIONS FOR ADULTS

Wherever we go in nature we experience life and movement. Stillness comes out of the movement; inner quiet is sought in the turbulence of life and equanimity is found through life's contrasts. Eurythmy offers an opportunity to explore the polarities, develop a greater awareness of what we meet and can help in finding a sense of wholeness.

In term one of 2021 two courses are open to all no matter how much exposure or experience you've had with the art of eurythmy, all are welcome. Eurythmy can bring vitality to life and strengthen the soul life.

Commencing Tuesday 9 February at 7:00 – 8:00 pm  
Steiner Centre corner Nelson Street and Whitehead Road

This course will run for 7 weeks. Registrations are now open. The course will cost \$80.00 for 7 sessions. For interest and registration please contact [sue.simpson0@gmail.com](mailto:sue.simpson0@gmail.com)
