

Winter Warmer Evening

*Nā tō rourou, nā taku rorou ka ora ai iwi
With your food basket and my food basket the people will thrive*

Last week the school grounds were once again lit with fire and fairy light.

Taikura is so grateful to all those whānau who donated kai for our fundraising efforts. Thank you.

Special thanks to all those parents who gave their time to complete shifts on stalls and set up and pack down. There will be an opportunity for those who completed shifts to give feedback on the length of these. Serving on stalls can be a challenge when managing small children as well and we want to make this as stress free as possible for all. A new spot for ticket selling this year saw lines moving more quickly, thank you Jess Bart and Suzan Bart for the preparation and thought put into this.

An especially big thanks to the H3 Group's Jess Scott, Rachel Hughes and Nicole Scheidegger for your behind-the-scenes organisation. On the day and during the pack down our Property Manager Liam Wyley and School Gardener Debs Strachan gave a mighty effort. Thank you.

This year we had some food items organised and produced without H3 support, but in support of H3 funds. Thank you to the following: Aimee Hawke for the delicious Fry bread, Nicole Scheidegger and Sylvia Lane for the warm spiced mulled juice and Zana Price and Amy Hopkinson-Styles for the baked apples and Kate Laisenia for donating the apples.

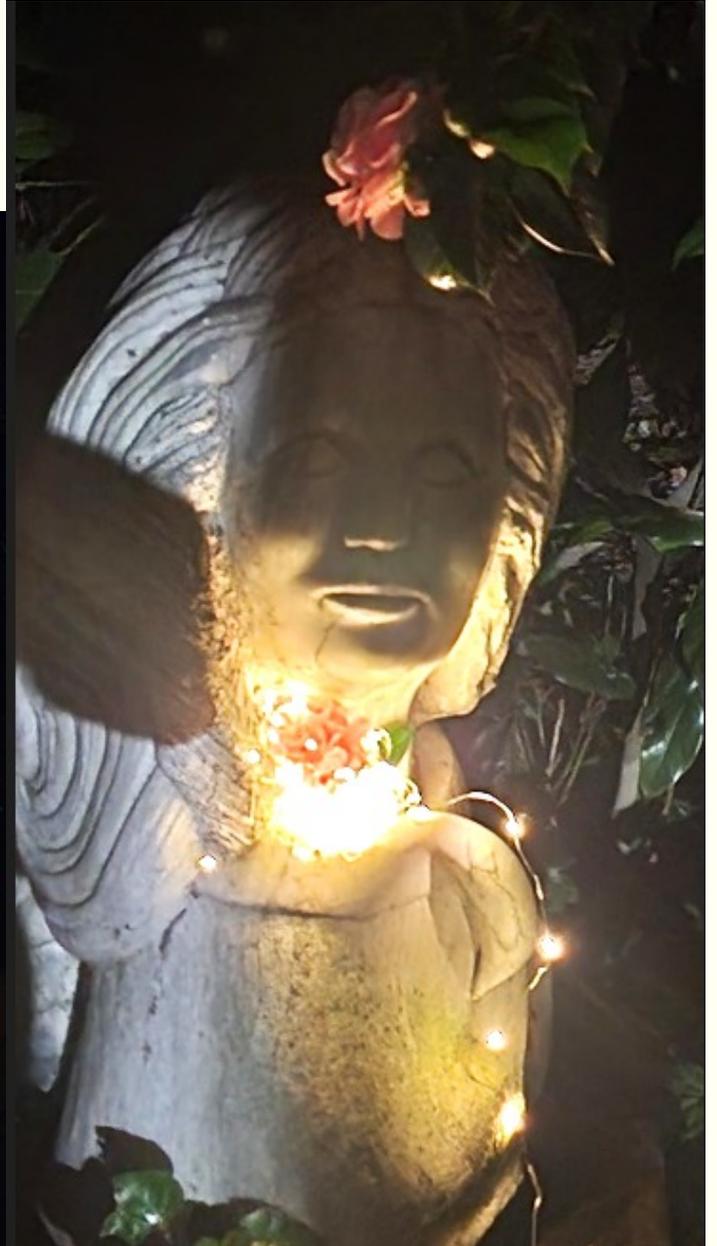

Warm acknowledgement and gratitude to Robert Simpson, Rachel Hughes, Derryn Menzies, Tania Diedericks, Angus McDonald and Moana Woods for your beautiful music playing. The evening would not be what it is, without you all. Thank you!

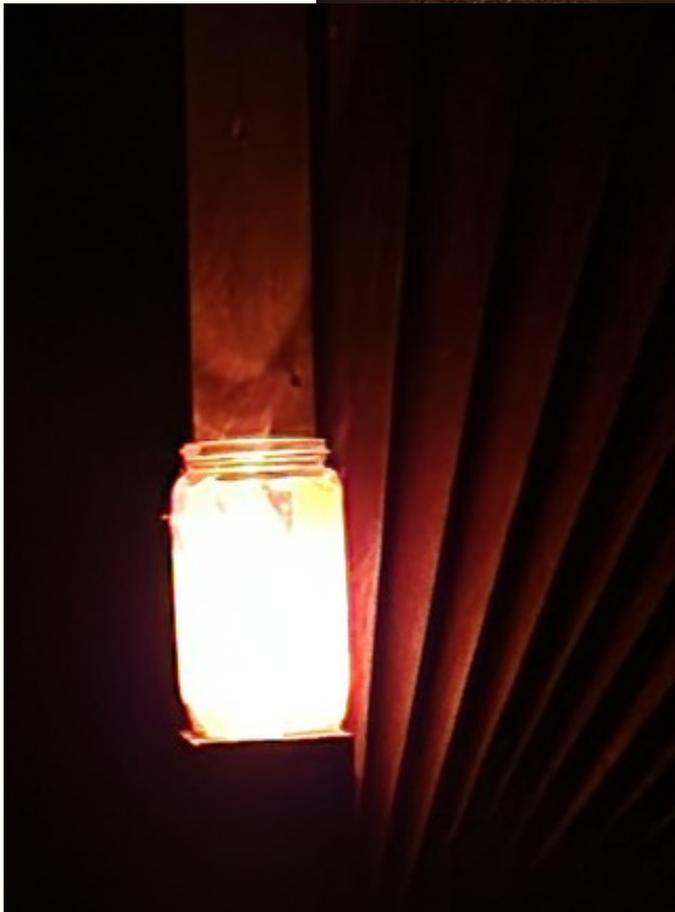

Our thanks would not be complete without acknowledging the gift of the Shadow Play from the teachers and the warm support from our community who came along, participated and purchased.

Baptism For Children

This sacrament for children helps support a sense of belong to a community. This, in our time is of great value. Please feel welcome to come and hear Reverend Paul Corman speak about this topic.

If you have been wondering about having a baptism for your children or not, Reverend Paul Corman, visiting priest emeritus of the Christian Community in Hawke's Bay, will be giving a short presentation about the benefits of the sacrament of Baptism in general without regard to a specific type of Christianity. The talk is meant as an orientation and a help in your process of thinking about and considering a baptism for your children.

There will be time for questions and conversation. The meeting will take place in Rangimarie, 617 Heretaunga Street East, Hastings, on Thursday 17 August at 7:30 pm.
